The undersigned hereby grants permission to Judy Howard and any future publisher of her book as described below to print the within described work(s) of art or photo which I warrant to be my sole product, and that I am the sole author thereof except where proper credits are given to another author.

I understand that this consent and permission to publish grants nonexclusive publication rights for publication in the book *God Bless America Quilts* (or its successor title) and that Judy Howard and/or her publisher may edit the work. Although I may submit the story or photo to other publications, I agree not to have the story or photo published elsewhere prior to its publication in *God Bless America Quilts*. Permission is also given for any subsidiary publication rights required by the publisher in connection with the book, and for marketing and promotion purposes in connection with the book.

The submitted work I am granting publication rights for is as follows:

If my submitted work, described above, is accepted for publication, I understand payment to me will be one copy of the publication wherein my work appears.
